

## MOTOTRONIK

Lista di Compatibilità – aggiornato al 29 settembre 2022  
 Compatibility List – updated on 29 september 2022

La tabella sotto riporta la lista delle carrozzine, divise per marca e modello, per le quali sono disponibili morsetti dedicati per l'installazione del Mototronik. I primi marchi ad apparire nella lista sono Progeo, Panthera e Ti-lite, poi seguono gli altri in ordine alfabetico. Per l'assemblaggio, fare riferimento al Service Manual. Per i modelli non presenti in questa lista, chiedere via mail a [francesco.barbon@permobil.com](mailto:francesco.barbon@permobil.com) (Rehateam s.r.l.) per l'eventuale possibilità e tempistiche.

The chart below shows the list of wheelchairs, divided per brand and model, for which dedicated clamps are available to attach the Mototronik on. First brands on the list are Progeo, Panthera and Ti-lite; the others follow in alphabetical order. For assembly, please refer to the Service Manual. For models not on this list, ask via mail to [francesco.barbon@permobil.com](mailto:francesco.barbon@permobil.com) (Rehateam s.r.l.) for the eventual possibility and timing.
